The College is providing greater access for our students by increasing higher education learning opportunities in the North Valley. Late afternoon and evening classes for credit and non-credit are being offered at the PVCC North campus currently located at Cactus Shadows High School. An evening College Site Supervisor is at the PVCC North campus when classes are in session. For North campus student services such as advising, testing, registration, bookstore and library, please contact individual departments at the main campus or call PVCC North at (602) 787-6700.
