# How To... Action Figure Zipline

## Materials
- Clothesline
- 2 pulleys (made for clothesline)
- Scissors
- Action Figures

## Procedure
1. Attach the Action Figure to the pulley
2. Cut two lengths of rope to the desired length
3. Tie one end of the rope to a tall fixed object
4. Thread the other end through the pulley
5. Attach to a low fixed object
6. Place action figure at the top of the zipline
7. Let go and watch it zip down!
8. Repeat with the second rope in a different location and height
