How To...
Giant Bubbles

Materials

Children’s swimming pool
5 Gallons of Water
10 cups of Dawn dish soap
(not anti-bacterial)
Hula hoop

Procedure

Make the Solution

1. Pour 5 Gallons of water into the swimming pool

2. Add 10 cups of dish soap and mix

Make the Giant Bubbles

1. Place the hula hoop in the bottom of a swimming pool.

2. Have volunteer step into center of the hula hoop in the swimming pool without shoes.

3. Slowly, pull the hula hoop straight up and over the volunteer’s head.
