How To...

**Glow In The Dark Playdough**

**Materials**

- 3 Cups flour
- 1 Cup salt
- 2 Tbsp oil
- 2 Tbsp cream of tartar
- 2 Cups boiling water
- 6 oz glow in the dark paint
- Mixing Bowl
- Microwave

**Procedure**

1. Mix together flour, salt, oil, and cream of tartar
2. Add boiling water and mix until incorporated
3. Let dough cool until no longer hot to the touch
4. Knead dough until desired consistency is reached
5. Add glow in the dark paint to the playdough
6. Knead dough until paint is fully incorporated
7. Place playdough under a light source to activate the glow in the dark paint
