How To...

Rainbow Eruption

Materials

1/2 cup vinegar
1/2 cup baking soda
1 Tsp fluorescent paint
Dish soap
A tall glass
Cup for mixing
Baking sheet with raised sides
Blacklight

Procedure

1. Place tall glass on baking sheet with raised sides
2. Add baking soda to tall glass
3. Combine vinegar, squirt of dish soap, and paint in cup
4. Place blacklight near baking tray
5. Pour vinegar mixture into tall glass
6. Repeat the process as many times as you’d like!
