Prepare
Students will be prepared both academically and financially to navigate the PVCC system before the first day of class in order to have a successful college experience.

Engage
Students will engage with faculty and staff to ensure academic success and become fully involved in college life.

Commit
Students will commit to a plan to reach their educational, personal, and career goals both in and outside of the classroom.

Complete
Students will successfully complete their goals, providing them with opportunities for continued education and a focused career path.

Thrive
PVCC alumni will thrive as lifelong learners, equipped with knowledge that creates positive social change.
