

EMT104 STUDENT PACKET

Emergency Medical Technology

The EMT training program consists of four classes that are taken during one semester:

- **EMT 101:** AHA BLS Provider CPR Certification
- **EMT104:** Emergency Medical Technology Theory
- **EMT104AB:** Applied Practical Studies for Emergency Medical Technology
- **EMT104LL:** Emergency Medical Technology Practicum (Lab)

***Upon successful completion of the EMT program, students do not become certified to provide care at the EMT level. There are additional testing and certification requirements via the National Registry of EMTs; this will be discussed during the EMT orientation meeting.*

ENROLLMENT:

Students may either register in person at the Paradise Valley Community College Welcome Center in the KSC Building, or call Admissions & Records at 602-787-7000 to enroll. Students need to enroll for **ALL** classes at the same time. **ENROLLMENT CANNOT BE COMPLETED ONLINE!** Please see below information for program prerequisites prior to enrolling.

PREREQUISITES FOR THE EMT PROGRAM:

1. Students must be at least 18 years of age in order to take the NREMT certification exam upon successful completion of the program. Students 17 years of age are encouraged to contact the EMT Office for further information and advisement.
2. Students must satisfy ONE of the following reading placement scores prior to enrolling:
 - Associate's Degree or higher
 - *Asset*: 42 or higher
 - *Compass*: 83 or higher
 - *Accuplacer*: 74 or higher
 - *Ed Ready (Critical Reading & Critical Thinking)*: 90 or higher
