Hoop of Learning Program Paradise Valley Community College

The Hoop of Learning Program is an early college high school bridge program administered by the Maricopa County Community College District (MCCCD). The Hoop of Learning program was implemented in the summer of 1995 in response to concerns voiced by Native parents in an urban high school district in Phoenix, Arizona. The Indian Education Parent Committee approached the director of the Indian Education Program with concerns that the local high schools were not offering culturally appropriate support or direction to prepare their children for higher education and career development. As a result, the parents, the high school district, and a local community college formed a partnership committed to providing meaningful education for Native students. The Hoop of Learning Program is the result of this partnership. The original partnership was between Phoenix College and the Phoenix Union School District; however, that partnership later extended to four other colleges. Since academic year 2006-07, the program has expanded to include four additional colleges, in partnership with high school districts in their respective service areas. Total involvement currently includes nine colleges, with approximately 400 Native American students being served per year. Within the last two years, the growth of student participation has been approximately 350%.

The PVCC Hoop of Learning program is being developed in partnership with the Paradise Valley Unified School District (PVUSD) and Paradise Valley Community College (PVCC). Paradise Valley Community College is one of ten colleges, two skill centers, and multiple satellite locations, which comprise the Maricopa County Community College District located throughout metropolitan Phoenix, Arizona.

Founded in 1985, Paradise Valley Community College has grown from a per-semester enrollment in 1987 of 3,700 to over 10,000 today. Historically, PVCC has seen enrollment growth between 2-7% each semester. Enrollment growth has coincided with the increase in number of faculty: from 27 full-time residential faculty in 1987 to 115 in 2008. The total number of employees has grown from 62 in 1987 to 253 in 2008.

HOOP OF LEARNING PROGRAM POLICY AND PROCEDURES

ATTENDANCE:

Paradise Valley Community College and the Hoop of Learning Program subscribe to the belief that college class attendance is essential to academic success. The following attendance policy is in effect from the first day of classes and will be enforced until completion of the program to help ensure success and to prepare students for the expectations and demands of their full-time college experience.

PVCC Hoop of Learning Program Attendance Policy:

Each student must adhere to the attendance policy of each class outlined in their course syllabus. The Hoop of Learning program allows a maximum of THREE absences in the Fall and Spring Terms. The student WILL still be responsible for making up any missed class work/exams/projects/etc. Students with FOUR absences may be withdrawn from class for that semester, unless prior arrangements have been made with the class instructor. For the Summer term students are only allowed one absence due to the condensed timeframe of summer classes. All students must report absences to the PVCC HOOP office AND to their instructor. **The Attendance Policy is in effect as of the first day of classes and will be strictly enforced until completion of the HOOP Program.**

Definition of an Absence:

Regardless of the reason, if a student is not physically present in the classroom during the scheduled class time, that student is considered absent. Please see the PVCC Catalog and Student Handbook for information on Official Absences. In the event of an absence, the student is responsible for any missed class work. **Check your class syllabus for definition of an absence according to instructor policy.**

Bonus Time/Field Trips/Workshops:

PVCC Hoop requires attendance at a monthly "Bonus Time" session. This is an opportunity for staff to connect with students outside of class to get to know students, present workshops, make announcements, provide critical information on scheduling and scholarships, and more. Hoop staff will also offer special programs from time to time, and we encourage students to attend. These events will give the students an opportunity to renew friendships, enhance skills, and receive assistance with financial aid, scholarship searches, and tutoring support. Field trips to Universities and other businesses and industries may be conducted during the summer and school year. Field trips are not mandatory, but participating in these events will make the Hoop experience broader and more meaningful to students.

Stop Out Policy:

All students who already know that they will miss more than three class sessions in a semester are encouraged to speak to the Hoop coordinator regarding 'stopping out'. A 'Stop-Out' allows a student to concentrate on high school studies or extra-curricular activities for a given semester WITHOUT being dropped from the Hoop Program. Students with a 'Stop-Out' will simply not be registered for classes for one semester (of student's choice) without penalty. A student may use a stop out for any semester EXCEPT for first semester. IT WILL BE THE RESPONSIBILITY OF THE STOP-OUT STUDENT TO CONTACT THE HOOP STAFF TO MAKE PLANS FOR THE UPCOMING SEMESTER. A student may **NOT** use 'Stop-Out' two consecutive semesters; students with TWO CONSECUTIVE STOP-OUTS will be placed on inactive status with the Hoop Program.

GRADING:

HOOP students will begin an official college transcript, which will become a part of the student's permanent records. Grades will be available online at my.maricopa.edu after the course completion date. A paper copy of the student's transcript can also be requested in person at Admissions & Records or online through www.my.maricopa.edu. Paradise Valley Community College uses the following grade key:

A - Excellent B - Above Average C - Average D - Passing F - Failing
I - Incomplete (not computed in GPA) W - Withdrawn (not computed in GPA)

Prerequisite courses require a grade of 'C' or better to advance to the next level. Completion of courses at 100 level or above, with a grade of 'C' or better, may be eligible for transfer to another college or university. A grade of 'D' may satisfy graduation requirements at Paradise Valley Community College, but WILL NOT BE eligible for transfer. **Any student with a grade of 'D,' 'F,' or 'W' will complete a Student Probation Contract with the Hoop of Learning Program. The contract indicates that the student will retake the course(s) the following semester and pass with a 'C' or better and may stipulate additional requirements such as required tutoring. If the student does not pass the course(s) the second time, the student will lose the scholarship and pay out of pocket to retake the course again. No other course(s) will be taken until the repeated course(s) has(have) been completed with a passing grade.**

PROBATIONARY STATUS:

- A. A student will be placed on probationary status if he/she has earned a grade of D, F, or W in the college course(s) for which he/she has been enrolled.
 - a. If a student wishes to remain in the program, they need to retake the course and earn a grade of C or higher. This may be at the students' own expense subject to scholarship availability and the conditions of the probation contract.
- B. A student is placed on probation if he/she has been in inactive status and has fulfilled requirements as outlined below in WITHDRAWAL/INACTIVE section.
- C. If student has remained in probationary status for a period of one semester and has received another D or lower, student shall be placed in inactive status pending fulfillment of requirements as outlined below in WITHDRAWAL/INACTIVE section.

The Bookstore staff will be able to help you locate textbooks for classes. **A photo I.D. is required to use the book voucher to obtain books.** If books are purchased through the HOOP Program funded by a book voucher, staff may require returning the books to the HOOP Office to recycle to other students. If books are loaned

to students by the Hoop staff, they are required to be returned to the Hoop staff by the last day of class. Failure to return a book may result in charges posted to a students account.

Every PVCC Hoop of Learning student **must** acquire a Paradise Valley Community College ID card. To obtain the card you **must** present a picture ID. Student ID cards are issued in the Kranitz Student Center (KSC) Building at the College Safety office across from the bookstore. A valid ID is required for ALL transactions on campus in Admissions and Records, Assessment/Testing, Computer Commons, Cashier's Office, Fitness Center, the Learning Support Center (LSC) and the Library. **I.D. cards must be carried at ALL times while on campus. PROGRAM STAFF:

The HOOP Program Staff members are assigned to track HOOP students' academic, educational, and career progress. The program staff is available to all students to discuss program status, course registration, future plans, scholarship information, change of schools, trouble with classes, questions/concerns about the program, and questions about colleges and universities. HOOP staff will make visits to the students' high schools during the school year. To make an appointment with the HOOP Program Coordinator or Director, call 602-787-6695.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT:

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Parents should understand FERPA law and communicate directly with their son/daughter to monitor academic progress. For additional FERPA info:
