Firefighter Operations	1
Healthcare Technology Systems	1
Management	1
Marketing and Sales	1
Non Credit	1
Paramedicine	1
Personal Training Specialist	1

- District IIE Office Updates
The UofA is looking at the major/degree program that was established at the North Valley site on the PVCC campus. The enrollment is thin and the university planners are discussing possible other majors/degrees. Michele spoke with Annique Petit at the UofA about other options and strategies. It was determined that a meeting between Ms. Petit and our VPAA and Division Chairs may be useful. The IE committee thought that COM, PSY, and/or Nutrition may be good options.
- Calendar of Upcoming Events / Activities
