STUDENT PUBLIC POLICY FORUM

Student Public Policy Forum (SPPF) provides students with learning opportunities that allow them to become educated and involved community members. Students will have an opportunity to meet with a variety of elected officials at the local, state, and federal level along with those working in the public policy arena. No prior political experience is necessary; students from all Maricopa colleges, backgrounds, majors, and experiences are encouraged to participate!

By joining SPPF you will:

- ★ Develop and refine leadership skills
- ★ Effectively advocate for and with your community
- ★ Gain confidence and interact with public officials at the local, state, and federal level
- ★ Communicate effectively in a political context

SPPF meets every other Friday afternoon for an entire academic year, starting 9/6/19.

Students must enroll in POS 285 class, Spring 2020.
