- Under Arizona state law, a person who is not a United States citizen or who is without lawful immigration status may not receive tuition assistance through the Maricopa Grant Program. Only those with a lawful presence in the US may qualify for Maricopa County Community College District scholarships or federal financial aid. Any information you provide about your legal status when you apply for financial aid or scholarships may be subject to mandatory reporting to federal immigration authorities under AZ law.
- The Maricopa Grant may be applied toward resident tuition and registration fees in dual enrollment courses only. Students are responsible for all other fees and charges.
- The Maricopa Grant will cover a maximum of twelve credit hours per student per year for all Maricopa Community College dual enrollment courses.
- Students must complete the first semester in which they enroll with a grade of A, B, or C in order to be eligible to receive the Maricopa Grant for the following semester.
- Withdrawal from a course funded by the Maricopa Grant program after the last date for Official Course Withdrawal will disqualify a student for any future tuition assistance while in high school. A disqualified student may request reconsideration based on extenuating circumstances. The awarding of aid will be at the college’s discretion.
