

## EARN COLLEGE CREDITS WHILE STILL IN HIGH SCHOOL!

This exciting program is designed for motivated high school students (sophomores, juniors and seniors) with good academic and attendance records who wish to get a jump start on college. Students must also possess the readiness for and commitment to rigorous college coursework. While still in high school, students will make progress toward earning their AGEC Certificate or Associate's Degree, typically enrolling in 6-9 credits a semester.

### Eligibility Requirements

- 2.6 GPA
- Two letters of recommendation from a counselor or instructor from your school
- Application
- Short essay

### Benefits

- Earn college and high school credit simultaneously
- Save money on college tuition and textbooks
- Reduce college completion time
- Eliminate duplication of coursework during the freshman year of college
- Scholarship available to those who meet income eligibility requirements

### PVCC Puma Early College Partners

- Paradise Valley Unified School District
- Cave Creek Unified School District
- Deer Valley Unified School District
- Home School Educators

*"This program has given me so many wonderful opportunities to better prepare myself for the future to come. It has taught me how to organize my time, thoughts, and energy towards things that will help me succeed in my future. It teaches responsibility and has given me the chance to grow at a faster pace than in high school classes. It has given me the confidence to know that when I am done with high school I should not need to fear going to a university and starting my life." - Makayla, 2012*
