EMT104 STUDENT PACKET
Emergency Medical Technology

The EMT training program consists of four classes that are taken during one semester:

- **EMT 101:** AHA BLS Provider CPR Certification
- **EMT104:** Emergency Medical Technology Theory
- **EMT104AB:** Applied Practical Studies for Emergency Medical Technology
- **EMT104LL:** Emergency Medical Technology Practicum (Lab)

**MANDATORY PRE-CLASS ORIENTATION MEETING:**
Students must attend a mandatory class meeting scheduled the week before classes begin. A schedule of dates and times will be posted in the “Class Notes” for a given section number when searching EMT104 on the Class Search webpage. Contact the EMT Office for more info.

**Upon successful completion of the EMT program, students are NOT certified to provide care at the EMT level. There are additional testing and certification requirements via the National Registry of EMTs that will be explained during the EMT orientation meeting.**

**ENROLLMENT:**
Students must register either in person at the Paradise Valley Community College Welcome Center in the KSC Building, or call Admissions & Records at 602-787-7000 to enroll. Students need to enroll for ALL classes at the same time. **ENROLLMENT CANNOT BE COMPLETED ONLINE!** Please see below information for program prerequisites prior to enrolling.

**PREREQUISITES FOR THE EMT PROGRAM:**
